HOLY APOSTLES TUITION MAIL-IN FORM6

September 1, 2020

Dear Holy Apostles Sunday School Parents and Students,

Holy Apostles is excited to announce that the 2020-2021 Sunday School year is now open for enrollment! All classes will begin in an online format with the ability to easily transition to in-person classroom learning should Metropolis guidelines permit. Classes will be a combination of synchronous and asynchronous learning styles that offer flexibility and allow for a rich and spiritually edifying learning experience.

Holy Apostles' Sunday School program aims to nurture students and offer them a solid Christ-centered foundation for their lives. Students learn how to enter into a personal relationship with the Holy Trinity and bear joyful witness to God's loving and redeeming work in the world. Students are afforded an opportunity for peer-to-peer fellowship and gain a more in-depth knowledge of the Orthodox faith. Sunday school begins in September and runs through May and takes place after Holy Communion. Students are grouped into classes according to grade level.

This guide includes guidelines and procedures, tuition information, and registration. If you'd like to register online, please visit our website at holypostleschurch.com. We can't wait for you to join us!

SUNDAY SCHOOL GUIDELINES AND PROCEDURES

For everyone's wellbeing, Holy Apostles Sunday School will follow the [guidelines](#) set forth by both the Public Health Officials and the Metropolis of Chicago. We are excited to begin Sunday School on September 20, 2020 and are planning a flexible program with a mixture of asynchronous and synchronous learning styles that can be modified throughout the year based on fluctuating conditions. We will begin classes on-line with the goal of phasing to in-person lessons as conditions permit. At this time all that is necessary to complete is the registration and tuition. Sunday School instructors will reach out to their classroom with additional information prior to the start of term.
